

A Message From The Owner

After 23 years as a stylist at this salon I decided to become the owner to ensure that every customer is treated with individualized attention and exceptional customer service. Everyone should feel as good when they leave this salon as they did on their prom night or on their wedding day. We strive to make your everyday a special day. No matter how old you are you can always be a JLP Girl or Guy. If you aren't 100 percent satisfied with your service at my salon I'll make it right. Email me at the address below and give me your feedback. Thank you so much for your patronage.
